# In total, 3.69m visitors are projected to visit New Zealand in YE December 2028

- International overnight visitor arrival projections until 2028 are available for New Zealand overall – of which Auckland receives the largest share.
- International visitor growth to New Zealand is forecast with a Compound Annual Growth Rate (CAGR) of 13.5% from 2023 to 2028 (for Q3 2024), resulting in a possible 3.69m international visitors by YE December 2028.
- When calculated against the 2022 baseline a clear recovery trend in visitor arrivals is visible overall – as well as for our key markets.
- Visitor arrivals from Australia are expected to grow at an average annual rate of 2.6%. 1.53m Australian visitors are expected to visit New Zealand in the year to December 2028.

International visitor growth - New Zealand

\* International visitation by city is based on the Global City Travel (GCT) database maintained by Tourism Economics. GCT tracks overnight visits by international visitors to 300 global cities. The data is tracked by country of origin on an annual basis, including historical and forecast years. The data shown here for the country is taken from the Global Travel Service (GTS) database, also maintained by Tourism Economics. This reflects international visitation by origin market, including historical and forecast years.

# Auckland Tourism – Spend Data

# \$1.18b in International tourism spend for year-end December 2024, up 13.1%

- Tourism Electronic Card Transactions (TECTs) restarted as an interim replacement to the Monthly Regional Tourism Estimates (MRTes) in April 2024.
- As a result of a different methodology, the TECT figures are substantially smaller than those of the previous MRTes, so the two series should not be compared. More information on (TECTs) can be found [here](#).
- Due to limitations of the new data collection method, domestic and international market totals should not be added together and should be used separately. Additionally, only data dating back to January 2022 has been used for this purpose.
- In the year to December 2024, domestic tourism spend in Auckland was \$2.39b, down 2.8% on last year.
- International tourism spend was \$1.18b, up 13.1% for the year.
